CUVÉE BLUE NOTE

BLUE NOTE

The Domaine de Cabrol estate

Lost in the wilderness, the vines of Domaine de Cabrol are grown on natural clay-limestone hillsides and terraces on the southern slopes of the Montagne Noire in the Languedoc region, at an altitude of 300 metres.

Domaine de Cabrol has been in the family for three generations. It covers 120 hectares of garrigue, holm oak, pine and olive trees, with just 21 hectares of vines scattered throughout. The vines are grown using sustainable methods, yields are low (20 to 30 hectolitres per hectare) and the grapes are harvested by hand, mainly whole bunches.

Based on simple, respectful gravity-fed methods, with long, controlled macerations and no wood ageing, the work in the cellar is at the service of the terroir. Through their aromas, structure, vigour and freshness, all the cuvées seek the clear expression of the estate's exceptional terroir, at altitude in the west of the Languedoc.

Blue Note

Blue Note Blue Note is a sensitive and spicy wine made from low-yielding Grenache and young Syrah vines grown on hillsides. If it evokes joy, like a summer night with friends and music, Blue Note is never superficial. It will always be a good companion for festive moments and sharing.

Vines

Grenache (50%), Syrah (50%)

Vinification

Blend; Grenache destemmed and macerated for 5-10 days; Syrah vinified as whole bunches, carbonic maceration for 10 days.

BLUE NOTE

The parcels

Blue Blue Note is made from Grenache and young Syrah grapes from the Réquieu parcel. This is a complex plot at the entrance to the estate. From a very chalky plateau with old Syrah vines to the north, it gradually transforms towards the south into a deeper, sandier hillside planted with young Cinsault, Grenache Noir and Syrah vines.

Food and wine pairing

Blue Note is a delicious wine that goes well with a wide variety of dishes.
